“Win Next Generations for Christ”

REACH - TRANSFORM - MOBILIZE

“The Spirit of the Lord is upon Me, Because He has anointed Me To preach the gospel to the poor; He has sent Me to heal the brokenhearted, To proclaim liberty to the captives And recovery of sight to the blind, To set at liberty those who are oppressed; To proclaim the acceptable year of the Lord.” (Luke 1:18-19)
This is one of the few passages where our Lord Jesus is so explicitly casting His vision, and the main reason for that was to call people to join Him in accomplishing His Father’s will, and only 12 joint Him, we also want to be partakers in this amazing task.

Dear Ministry Partners, looking back into the summer we can all declare: Praise the Lord! We were so blessed to be able to see over 82 churches in Eastern Europe (Moldova, Ukraine, Romania) and Central Asia to put together a Kids’ Day Camp, by providing training for their teams and providing needed tools. We thank you for your prayers and your generosity which made it possible for 10000 kids to hear about Jesus and 9200 kids to accept Him as Lord and Savior of their life. Now, Kids & Youth Clubs are popping up as an opportunity for these kids to be discipled, reach and minister to their peers. This is incredible work of God. “I’m so happy that I was able to be part of this camp and invite Jesus into my heart, I feel His love in me. I do not know much about love, because my mother is an alcoholic and she always was violent with me. When I was a little child, one day she was so drunk and so angry that she took my hands and burned my palms and fingers all the way to my bones. I lost my both arms and because of that I hated my mother to death, and I was angry with God. Today I discovered forgiveness for myself and my mom.” Nicoletta is a follower of Jesus today, she lives in Moldova, and was able to reconcile with her mother, leading her to the Lord. We’re so blessed to see how God transforms lives and restores relationships as well as sets the enslaved, abused and oppressed free. During this summer we were able to organize a Stop-Trafficking Camp, which gave the kids an opportunity to learn life skills, have a lot of fun, good food and rediscover a loving and forgiving Jesus. These camps are a life changing experience for the kids but also for the short term teams. We were so pleased to see how some of the people coming from abroad are recommitting their lives to Christ, strengthening their relationship with God. We can truly say that short term missions work and have great impact. Our goal is to send our way a short term mission team for every month of the year. We are so thankful to our church partners for sending our way such a amazing people, that faithfully served and generously gave themselves to reaching and serving the lost. We would like to encourage you and your church to consider sending a team in 2017 to Moldova, Ukraine, Romania or Bulgaria to serve along side and local churches. We need people to help run with us Kids & Youth Camps, Construction Teams, Medical Help, Training Leaders and Secular Leaders in Schools and CPS, and ESL (English as second language) & Sports Camps.

REACHING THE UNREACHED and THE OPPRESSED: In the last month we had the opportunity to serve people in different towns of Moldova, Ukraine and Romania. Every where we went we found people that do not have a Bible or were totally rejected because of their ethnicity, language they speak, but in Christ there is no more Jew or Gentile. One of the unreached people groups in Eurasia are gipsy people. Among them we find a lot of poverty, witchcraft, a different structure of their society using cast system. In the lowest cast are the unclean and the beggars, it is almost impossible to get out of it, and the only way out is possible through a more powerful deity than the spirit of the cast. Many gipsy people are hungry to know more about Jesus, but they are afraid to accept Him as their King and Savior, because of the family ties to spiritism, sorcery, palm reading which is a source of their living. Others are afraid of being rejected by their tribe and becoming an outcast. But despite all these God is doing some of the most amazing things: just in the last two months were able to put together three camps for gipsy kids, where many of them for the first time have been introduced to Christ and as a gift they received a Kids Bible that has many pictures, it became the bible of their family too (because of illiteracy). We were so blessed to be able to organize special evenings for their moms and dads, and some of them accepted Christ too, and joint our gipsy church, recently planted. In the month of October we are re opening our after school DayCenter, where these kids can have a meal, learn how to read and wright as well as learn more about Jesus. Thanks be to God for opening the doors for the Gospel among these people too. Our prayer is for a gipsy kids audio bible, that would have the bibles stories recorded. Also, pray for more support for the DayCenters, so that we can have enough food and schools supplies.

RESCUING and RESTORING LIVES: From the depth of my heart i believe that God is using our own story to do soothing greater with our lives and to glorify Himself. He give us the best platform to tell His story through our own story. My personal loss of my mother when i was a pre-teen, and the lost of my father made me more aware of what is going on in the heart and the soul of an orphan, understand their fundamental needs and how to meet those needs in the best way possible. (Marina Reutki) Today as never before kids are at most risk of sexual exploitation, kids are used in labour slavery and armed confrontations. Today's children are used for harvesting their organs which is inhuman, and is totally wrong. Children are killed left and right. We believe in life, we believe that Jesus gave His life that these kids might have life in abundance. This life is possible if the have a loving home, a caring church and an equal opportunity to study, work and build their own strong families. This is what we are working hard to offer daily to the kids we take care of in our Transition Homes. We praise God for the four homes in operation, that shelter victimized boys and girls. We are so amazed that in a healthy environment, even the most vicimized child will heal faster than what since used to say. Like in the story of Valentina: " My home was the most dysfunctional home any body could imagine. My mother was known for a very depraved behavior, i saw things that no child should see in a home. The most shocking discovery i made at an early age that my own mother was selling not only herself but she was selling other into prostitution abroad. I was so scared, but the time came when i was sold by her too, because she had no body else to sell. As i was transported to be prepared to get loaded in a truck, and be shipped over to a foreign country for prostitution. Only God made it possible for me to run away. I was able to hide in the forest, till someone found me and helped me connect with child protective services, and from there i was introduced to Transition Home. Mr. Oleg came and picked me up. I am safe and happy here." Please, Pray against HumanTrafficking & support these kids. We thank God for all the existing homes and for our faithful supporter. Thank you!

Prayer Request Eastern Europe: For the upcoming Bibles distribution in Turkey, open doors and open hearts.
-Pray for the development of the Christian Foster Care System in Moldova& it's certification process.
-For upcoming trainings for pastors.
Prayer Request Central Asia: Pray for Uzbekistan, it's president past away, pray for open doors for the Gospel and registration of churches.

Your prayers&support are so much appreciated. For contributions in checks to: New Hope Eurasia, 4771 Sweetwater Blvd #167, Sugar Land, TX 77479, USA. For online giving on our webpage: www.newhopeeurasia.org. For more info, please email us: newhope.eurasia@gmail.com.
